

Type - Food Manufacturing Coat with Internal Breast Pocket | **Range** - Food Processing

FOOD MANUFACTURING COAT WITH INTERNAL BREAST POCKET

Style: D200

Fabric: 245gsm Polycotton (65% Polyester 35% Cotton)

Designed to meet the highest specifications enforced by food trade, manufacturing and supply industries. The coat is made from a durable polycotton fabric which withstands not only the high usage often seen in the food industry but also the rigorous industrial laundering involved in the thorough disinfection of food trade garments.
